

2021 ZOOM CONFERENCE

For those experienced in or new to

*The McCluskey Model for
Exploring the Dynamics of Attachment in Adult Life*

Una McCluskey DPhil

The Practice of Exploratory Goal-Corrected Psychotherapy (EGCP)

Unlike previous face-to-face Conferences, which took place over 5 consecutive days, the 2021 Zoom Conference will run over 2 consecutive weekends in May 2021.

8th and 9th May ~ 15th and 16th May

The Conference will be a mix of experiential groups, large group meetings and presentations on the application of the McCluskey Model in a variety of setting.
